**UNOPPOSED MOTION TO CEDE INTERVENOR  
FOR PETITIONERS' ARGUMENT TIME TO PETITIONERS**

---

Pursuant to Federal Rule of Appellate Procedure 27(b) and D.C. Circuit Rules 27 and Rule 34, Intervenor for Petitioners in these consolidated cases, PPL Electric Utilities Corporation, Exelon Corporation, American Electric Power Service Corporation, and Virginia Electric and Power Company d/b/a Dominion Energy Virginia (collectively "Indicated PJM Transmission Owners"), with the consent of Petitioners, hereby move to cede to Petitioners four of the six minutes of oral argument time allotted to the Indicated PJM Transmission Owners in the Court's September 5, 2024 Order. The Indicated PJM Transmission Owners have informed Respondent, FERC, and Intervenor for Respondent. FERC indicated no objection to the request and no Intervenor for Respondent voiced opposition to this request.

The Court's September 5, 2024 Order allocated argument time in these consolidated cases as follows: Petitioners - 10 Minutes, Petitioner-Intervenors - 6 Minutes, Respondent - 10 Minutes, NY State Public Service Commission - 3 Minutes, Respondent-Intervenors - 3 Minutes. The Indicated PJM Transmission Owners are public utilities and transmission owners whose rates for transmission service are subject to the Federal Power Act. Like the Petitioners, the Indicated PJM Transmission Owners build, own, and operate network upgrades necessary to interconnect new generation facilities to the transmission system. The Indicated PJM Transmission Owners believe that their position can be adequately presented at oral argument by allocating two minutes of oral argument time to the Indicated PJM Transmission Owners and four additional minutes to Petitioners.

Accordingly, the Indicated PJM Transmission Owners respectfully request that the Court allow them to cede four of their six minutes of oral argument time in the consolidated cases to Petitioners.
